

LEADERSHIP STYLE REPORT

HELP YOUR ORGANIZATION'S MANAGERS FIND THEIR WAY.

Whether they manage two or two hundred, being a leader isn't easy. This report helps managers define and understand their own personal leadership style.

Why is this important?

People often leave managers, not jobs. Developing leaders increases employee retention and engagement.

Great managers know how to get the best out of their people.

Self-awareness contributes to a culture of genuine leadership.

Benefits

- Improve selection and promotion decisions
- Identify challenge areas
- Increase employee engagement, retention and productivity

Uses

- Selection and Promotion
- Annual reviews
- Goal-setting
- Succession planning
